SUMMARY

I have a passion for the technology field and am willing to learn and develop myself in a professional working environment. I have programming skills in languages such as HTML/CSS, JavaScript, Java, Python, CSharp and PHP, along with knowledge of databases and software development. I believe that my enthusiasm, team spirit and problem-solving ability will contribute to the success of an IT project.

EDUCATION

Sai Gon University (SGU)

August 2020 - April 2024
